312. (1) In any case in which the Local Government have sanctioned the acquisition of land under section 311, sub-section (2), the owner of the land, or any person having an interest therein, may make an application to the Corporation, requesting that the acquisition of the land may be abandoned in consideration of the payment by such person of a sum to be fixed by the Corporation in that behalf.

[Cf. 1899, s. 357, and Ben. Act V of 1911, s. 78.]

(2) The Corporation shall admit every such application, if it—

(a) reaches them before the time fixed by the Collector under section 9 of the Land Acquisition Act, 1894, for making claims in reference to the land, and

I of 1894.

(b) is made by all persons who have interests in the land greater than a lease for years having seven years to run.

(3) If the Corporation admit any such application, they shall forthwith inform the said Collector, and the Collector shall thereupon stay, for a period of three months, all further proceedings for the acquisition of the land and the Corporation shall proceed to fix the sum in consideration of which the acquisition of the land may be abandoned.

(4) Within the said period of three months, or, with the permission of the Corporation, at any time before the Collector has taken possession of the land under section 16 of the Land Acquisition Act, 1894, the person from whom the Corporation have arranged to accept the sum so fixed may, if the Corporation are satisfied that the security offered by him is sufficient, execute an agreement with the Corporation, either—

I of 1894.

(i) to pay the said sum two years after the date of the agreement, or

(ii) to leave the said sum outstanding as a charge on his interest in the land, subject to the payment in perpetuity of interest at the rate of six *per cent. per annum*, and to make the first annual payment of such interest three years after the date of the agreement:

Provided that the Corporation may, at any time before the Collector has taken possession of the land under section 16 of the Land Acquisition Act, 1894, accept immediate payment of the said sum instead of an agreement as aforesaid.

I of 1894.

(5) When any agreement has been executed in pursuance of sub-section (4), or when any payment has been accepted in pursuance of the proviso to that sub-section, in respect of any land, the proceedings for the acquisition of the land shall be deemed to be abandoned.

(Part V.—Chapter XX.—Streets and public places.—Clauses 313-315.)

(6) Every payment due from any person under any agreement executed under sub-section (4) shall be a charge on the interest of that person in the said land.

(7) If any instalment of interest payable under an agreement executed in pursuance of clause (ii) of sub-section (4) be not paid on the date on which it is due, the sum fixed by the Corporation under sub-section (3) shall be payable on that date, in addition to the said instalment.

(8) At any time after an agreement has been executed in pursuance of clause (ii) of sub-section (4), any person may pay off the charge created thereby, with interest, at the rate of six *per cent. per annum* up to the date of such payment.

(9) When an agreement in respect of any land has been executed by any person in pursuance of sub-section (4), no suit with respect to such agreement shall be brought against the Corporation by any other person (except an heir, executor or administrator of the person first aforesaid) claiming to have an interest in the land.

Recovery of money payable in pursuance of section 312.

313. When an agreement has been executed by any person in pursuance of section 312, sub-section (4), in respect of any land, and any money payable in pursuance of that section is not duly paid, the same shall be recoverable by the Corporation (together with interest up to the date of realization, at the rate of six *per cent. per annum*), under the provisions of this Act ;

[Cf. 1899, s. 157, and Ben. Act V of 1911, s. 79.]

and, if not so recovered, the Corporation may, after giving public notice of their intention to do so, and not less than one month after the publication of such notice, sell the interest of the said person or successor in such land by public auction, and may deduct the said money and the expenses of the sale from the proceeds of the sale, and shall pay the balance (if any) to the defaulter.

Agreement or payment under section 312 not to bar acquisition under a fresh declaration.

314. If any land in respect of which an agreement has been executed, or a payment has been accepted, in pursuance of section 312, sub-section (4), be subsequently required for any of the purposes of this Act, the agreement or payment shall not be deemed to prevent the acquisition of the land in pursuance of a fresh declaration published under section 6 of the Land Acquisition Act, 1894.

[Cf. 1899, s. 857, and Ben. Act V of 1911, s. 80.]

Provided that the Corporation may allow a private street to be made or laid out of a width less than forty feet but not less than twenty feet, if the distance between the building-lines for masonry buildings on each side of the street be not less than forty feet:

Provided also that, at the time of sanctioning the making of a private street less than forty feet in width, the Corporation may reserve the right to call upon the person to whom such sanction is granted, or his successor in interest, at any time after a period to be fixed by the Corporation, to widen such street to the full width of forty feet, and such person or his successor in interest shall thereupon be bound to obey such requisition.

(3) Within sixty days after the receipt of any notice under sub-section (1), the Corporation shall either sanction the making of the street, or disallow it, or ask for further information with respect to such street.

(4) Such sanction may be refused—

- (i) if the proposed street would conflict with any arrangements which have been made, or which are in the opinion of the Corporation likely to be made, for carrying out any general scheme of street improvement, or
- (ii) if the proposed street does not conform to the provisions of this Act referred to in sub-section (2), or
- (iii) if the proposed street is not designed so as to connect at one end with a street which is already open.

[Cf. 1899, s. 360.]

- (a) require the offender to show sufficient cause, by a written statement signed by him and sent to the Corporation on or before such day as may be specified in the notice, why such street should not be altered to their satisfaction or, if such alteration, be impracticable, why such street should not be demolished; or

(Part V.—Chapter XX.—Streets and public places.—Clauses 318, 319.)

318. (1) If any private street or any part thereof be not levelled, paved, metalled, flagged, channelled, sewerred, drained and lighted to the satisfaction of the Corporation, they may, by written notice to the owner of such private street or the respective owners or occupiers of the land fronting, adjoining or abutting upon such street or part, as the case may be, require them to level, pave, metal, flag, channel, sewer, drain and light such street or part. (c) the owners or occupiers who have paid the expenses referred to in section 318, sub-section (2),

328. (1) Save with the special permission of the Corporation, no person shall use a building or part of a building erected for use as, and belonging to, any one class of buildings, as a building of any other class in such a manner that the building or part thereof so used will not be in conformity with the provisions

Exemptions.

330. The following buildings shall be exempted from the operation of this chapter, namely :—

[Cf. 1899, s. 393.]

- (a) any building erected and used, or intended to be erected and used, exclusively for the purpose of a plant-house, summer-house (not being a dwelling-house), poultry-house or aviary, if the building be wholly detached from, and situated at a distance of at least ten feet from, the nearest adjacent building, and
- (b) any building erected or intended to be erected by, or with the sanction of, the Corporation, for use solely as a temporary hospital for the reception and treatment of persons suffering from any dangerous disease.

(Part V.—Chapter XX.—Streets and public places.—
Clauses 305, 306.)

(2) If the Corporation refuse to grant the permission applied for to erect or add to any building on the ground that the proposed site falls wholly or in part within a street alignment prescribed under section 303, and if such site, or the portion thereof which falls within such alignment, be not acquired by the Corporation within one year after the date of such refusal, they shall pay reasonable compensation to the owner of the site.

305. (1) The Corporation may at any time take possession of— [Cf. 1899, s. 352.]

- (b) any land not covered by buildings (including land on which a building has collapsed or been demolished or burnt down) which is situated within a street alignment prescribed under section 303,

after making full compensation to the owner thereof for any direct damage which he may sustain thereby.

(2) Any land taken possession of under sub-section (1) shall forthwith be added to and become part of the said street, and shall vest in the Corporation.

Power to Corporation to require preparation of standard plan by owner of bustees.

333. (1) The Corporation may at any time, if it appears to them that any *bustee*, for sanitary or other reasons, requires improvement, serve a written notice upon the owner of such *bustee* requiring him to prepare and submit a plan of the *bustee*, to the scale of twenty-five feet to the inch, showing— [Cf. 1899, s. 400.]

(2) The streets referred to in clause (d) of sub-section (1) shall be not less than twenty feet wide and not more than two hundred feet apart, and the passages referred to in that clause shall be not less than fifteen feet wide.

(3) If there is any masonry building within the limits of the *bustee*, the said plan shall be so prepared as clearly to distinguish such building and the land pertaining to it.

(Part V.—Chapter XXII.—Bustees.—Clauses
334-337.)

(4) The said plan—

- (i) shall be considered by the Corporation and modified in such manner as may be required, and
- (ii) shall, when approved by them, be deemed to be the standard plan of the *bustee*.

334. (1) If, after the service of a notice under section 333 on the owners of any *bustee*, such owners— [Cf. 1899, s. 401.]

- (a) do not agree among themselves in the preparation of a plan as required by such notice, or
- (b) for any reason prefer to have a plan prepared for them by the Corporation, or
- (c) fail to comply within sixty days with such notice,

the Corporation shall cause a plan to be prepared to the scale and showing the particulars prescribed in the said section.

(2) When a plan has been prepared under sub-section (1), the Corporation shall fix a day for the hearing of objections (if any) made by or on behalf of owners of the *bustee*.

and, after bearing such objections, may, in their discretion, approve such plan either with or without modifications.

(3) Every plan of a *bustee* approved under sub-section (2) shall be deemed to be the standard plan of the *bustee*.

(4) When the Corporation cause a plan to be prepared under sub-section (1), they may charge the said owners therefor at a rate not exceeding five rupees *per bigha*.

Suspension of building pending preparation of standard plan.

335. When the owner of a *bustee* has been required under section 333 to prepare a plan, no new building which is a hut shall be erected and no hut shall be added to within the *bustee* until a plan has been prepared and approved under that section or under section 334. [Cf. 1899, s. 402.]

Prohibition of building contrary to standard plan.

336. When a standard plan has been approved for any *bustee* under section 333 or section 334, no new building which is a hut shall be erected and no hut shall be added to in such *bustee* unless the hut, or the portion to be added, as the case may be, occupies a site, or portion of a site, marked in the standard plan as the site for a hut. [Cf. 1899, s. 403.]

Power to Corporation to require removal of hut not in conformity with standard plan.

337. (1) When a standard plan has been approved for any *bustee* under section 333 or section 334, the Corporation may at any time, by written notice, require the owner of any hut in such *bustee*, which is not in conformity with the standard plan, to remove the whole or any portion of such hut. [Cf. 1899, s. 404.]

(2) When a hut or portion of a hut has been removed in compliance with a requisition made under sub-section (1), the owner shall be entitled to receive from the Municipal Fund such compensation calculated according to the estimated value of the structure removed, less the value of the materials as the Corporation may determine.

(Part V.—Chapter XXII.—Bustees.—Clauses
338, 339.)

Power to Corporation to require carrying out of other improvements in conformity with standard plan.

338. (1) The Corporation may at any time, by written notice, require the owner of any *bustee* for which a standard plan has been prepared under section 333 or section 334—

[Cf. 1899, s. 405.]

(a) to construct the drains, privies, streets and passages, provide the water-supply and bathing arrangements, and carry out the other improvements shown in such plan, so far as may be practicable having regard to the existing arrangement of the huts, and

(b) if any tank, well or low land is shown in such plan as to be conserved or filled up, to conserve or fill up such tank, well or low land.

(2) Until such notice is complied with, the Corporation may refuse to sanction the erection of a new building which is a hut or the making of any addition to any hut in the *bustee*.

Inspection, report and preparation of standard plan by registered medical practitioner and engineer, in cases requiring expedition.

339. (1) If it appears to the Corporation that any *bustee*—

[Cf. 1899, s. 406.]

(a) by reason of the manner in which the huts are crowded together, or

(b) for any other reason,

is in such an unhealthy condition that the procedure provided by the foregoing sections of this chapter would be too dilatory to meet the emergency,

they may cause the *bustee* to be inspected by two persons appointed in that behalf, one of whom shall be a registered medical practitioner and the other an engineer.

(2) The said persons shall forthwith—

(a) make, sign and submit a written report on the sanitary condition of the *bustee*, and

(b) annex to the report a plan approved by them as a proper standard plan of such *bustee*, and

(c) certify—

(i) which of the improvements required to bring the *bustee* into conformity with such plan should be taken in hand forthwith in consequence of the unhealthy condition of the *bustee*, and

(ii) which (if any) of such improvements should be deferred for action under the foregoing sections of this chapter.

(3) The improvements referred to in sub-clause (i) and sub-clause (ii) of sub-section (2) shall be specified in two separate Schedules which shall be annexed to the report and called Schedule A and Schedule B, respectively.

(4) The said Schedules shall clearly indicate—

(a) the huts which should wholly or in part be removed,

(b) the streets, passages and drains which should be constructed,

(Part V.—Chapter XXII.—Bustees.—Clauses
340-342.)

(c) the water-supply, bathing arrangements and privy accommodation to be provided for the use of the tenants,

(d) the tanks, wells and low lands which should be filled up,

(e) any other improvements which the two persons appointed under sub-section (1) may consider necessary in order to remove or abate the unhealthy condition of the *bustee*, and

(f) any masonry building within the *bustee*, and any land pertaining to such building which it may be necessary to purchase or acquire for the purpose of making such streets or passages, or effecting any such improvement. [Cf. 1899, s. XVII, rule 16A (a).]

(5) A report (together with the Schedules annexed thereto) made and signed under this section by any two persons appointed under sub-section (1) shall be sufficient evidence of the result of such inspection.

Approval by Corporation of standard plan and Schedules annexed to such report.

340. (1) The Corporation shall consider every report (together with the plan and Schedules A and B annexed thereto) made under section 339, and, after hearing the objections (if any) of the owner of the *bustee* in respect of which the report has been made, may approve such plan and Schedules after making such modifications (if any) therein as they may think fit. [Cf. 1899, s. 407.]

(2) The plan so approved shall be deemed to be the standard plan of such *bustee*.

Power to Corporation to require owners or occupiers to carry out improvements specified in Schedule A.

341. When Schedule A, annexed to a report made under section 339, has been approved under section 340, the Corporation may cause a written notice to be served upon— [Cf. 1899, s. 408.]

(a) the owners or occupiers of the huts referred to in such Schedule A, or

(b) the owners of the *bustee* in which such huts are situated, or

(c) both such owners and occupiers, if necessary,

requiring them to carry out all or any of the improvements specified in that Schedule or any portion of such improvements.

Payment of expenses incurred in carrying out improvements.

342. When any improvements required by a notice under section 341 are carried out by the Corporation under section 500, all expenses incurred thereby, including such reasonable compensation as the Corporation may think fit to pay to the owners or occupiers of huts removed, [Cf. 1899, s. 409.]

shall be paid by the owner of the *bustee* to the Corporation and shall constitute a charge upon such *bustee* :

Provided that, if it appears to the Corporation that any such owner is unable, by reason of poverty, to pay such expenses or any portion thereof, they may order the same to be paid out of the Municipal Fund.

(Part V.—Chapter XXII.—Bustees.—Clauses
343-346.)

Disposal by the Corporation of materials of huts pulled down.

343. (1) If, in carrying out any improvement as provided in section 321, the Corporation cause any hut or portion of a hut to be pulled down, they shall—

[Cf. 1899, s. 416.]

[Cf. 1899, s. 418.]

(2) When any such resolution has been passed, the Corporation shall make a plan for the improvement of the said bustee or portion thereof, together with such estimates as may be necessary for a due understanding of the same.

(2) From the date of such notice no application shall be entertained for erecting on such land any new building which is a hut or adding to any hut standing thereon.

(3) Such owner shall, within six months after the date of such notice, remove all huts standing on such land; and, if he does not do so, the notice shall be deemed to be cancelled.

(2) When the land within such *bustee* or area is owned by more owners than one, each owning one or more separate plots of such land, such alignments shall, as far as practicable, be so prescribed as not to occupy, within any such plot, more than one-fourth of the area thereof.

(3) If, in any such plot, more than one-fourth of the area thereof is occupied by such alignments, the Corporation shall pay to the owner of the plot such compensation as they may deem reasonable:

they shall cause a written notice to be served on the said owner or occupier and also to be put on some conspicuous part of such building, requiring such owner or occupier to demolish the building.

(3) If such owner or occupier undertakes to execute forthwith the work necessary to render the building fit for human habitation, and the Corporation consider that it can be so rendered fit for human habitation,

the Corporation may postpone the operation of the said notice for such time as they think sufficient for the purpose of giving the said owner or occupier an opportunity of executing the necessary work.

[Cf. 1899, s. 445.]

and the Magistrate, after such inquiry as he thinks fit to make, may, by written order, require the owner of the building or room, within a reasonable time (not exceeding four weeks) to be prescribed in the said order, to abate such overcrowding by reducing the number of lodgers, tenants or other inmates of the building or room, or may pass such other order as he may deem just and proper.
